INTEGRATED WEBSITE CUSTOMIZATION

1. **Add Location (Provide a Screenshot)** <mark>DONE</mark>
   a. Location Name; (Your Name) Test
   b. Address
   c. Phone
   d. NPI

2. **Edit Practice Info** <mark>DONE</mark>
   A. **What is the format and size of the logo that will be uploaded?**
      ➢ The **format of the logo** it is recommend using a transparent (.PNG) logo to match with any website style.
      ➢ **Size**: Maximum dimensions: 117 width x 117 height pixels.

   B. **If there's a logo uploaded, provide areas where this can be seen**
      ➢ If a practice name appears the logo is incorporated in areas like the **practice website**, **when the practice emails their patient**, **referral letters**, and **printable view of patient clinical notes**.

3. **Edit Website Style** <mark>DONE</mark>
   a. **Briefly discuss steps on how to embed a practice website to WRS.**
      ➢ First select a specialty in the options given
      ➢ Then choose a layout/scheme
      ➢ After that set a color
      ➢ Then choose a banner imager
      ➢ Then click submit changes
      ➢ **Note**:
         • Practice **CANNOT** create their own website style.
      ➢ <mark>**EMBEDDABLE WEBSITE**</mark>
         • Select General as a specialty
         • Then under layout/scheme choose (10) embeddable
         • Then click on submit changes
      ➢ Then go to view website style
      ➢ The copy the link and provide/give it to the practice
      ➢ Have this link available to their already existing website once the link is given
      ➢ So that patient can still log in and utilizing to the WRS Portal
      ➢ Then advise practice to mention click here to login to patient portal or this link will give you access to patient portal.
      ➢ Embeddable version will just have **patient portal access** (Login), **about our office section with information**, **view practice forms**, and **accessible version**.
      ➢ It only has one-page homepage.

4. **Briefly discuss the purpose of Educational Materials and Practice Instructions.** <mark>DONE</mark>
      ➢
5. **Update the Provider's Photo using any image. You can select any provider (indicate the name of the provider on your return email)** <mark>DONE</mark>
      ➢
6. **Add Practice Document** <mark>DONE</mark>

a. **Use any PDF document of your choice and the label should be your FNAME, TEST**
b. **Show in the Forms page.**

Thank you.
