Re: Update to Waiting Room Solutions System

The WRS Development Team will be performing a software update to the Waiting Room Solutions System on or about August 16, 2013. This release will include the following:

TRANSFER INSURANCE PICKLIST INFORMATION TO EDIT INSURANCE TAB

Functionality has been added so that practices can easily transfer insurance information they have entered in their **Insurance Picklist** to their **Edit Insurance Tab** as listed on the **Administration>Practice Setup**.

Users can now directly import all insurances from **Administration>Practice Setup Insurance Picklist** to **Administration>Practice Setup> Edit Insurance** tab by selecting **Import from Pick List** on **Edit Insurance Page**.
