SURVEY FORM on the CONDUCT of LIMITED FACE-TO-FACE CLASSES FOR SY 2022-2023

“And we know that in all things God works for the good of those who love Him, who have been called according to His purpose.” – Romans 8:28

March 11, 2022

Dear Parents,

Greetings! Hope this finds you well.

With the recent Covid-19 risk status lowered to Alert Level 2 in the province of Negros Oriental, we are happy to announce that ABC Learning Center is currently working on obtaining the **regional safety seal** to conduct **limited face-to-face** classes next school year.

In line with this, we are conducting a survey on your willingness to participate in this learning modality. Thus, in order to maintain the implementation of minimum health standards and safety protocols, classes will be conducted for 2-4 hours daily, at least twice a week. However, Distance Learning (online learning mode) will still be available as one of the options.

A Parents' Orientation will also be conducted soon to discuss more details about the transition

We appreciate your feedback. Please answer the survey by checking the box of your response
