

Welcome to Neighborhood Primary Care,

We are excited that you have chosen us for your medical needs. Here is some information that you will find helpful:

- Bring *Photo ID* and *insurance card* to **every** appointment
- Bring a pharmacy printout of medication list or current medication bottles
- At initial visit, bring a list of all doctors you have seen in your adult life (not just primary care physicians).
- Be on time to your appointment (If 15 minutes late you may be rescheduled)
- Missing 3 appointments without calling may cause you to be discharged from Primary Care (reschedule!)

Thank you so much!!

Primary Care Staff
