Statement of Patient Responsibility

Your signature below forms a binding agreement between Infinity Retina LLC, and the patient who is receiving medical services or the Responsible Party. The “Responsible Party” is the individual who is financially responsible for payment of medical bills. All charges for services rendered are due and payable at the time of service.

● **Medical Insurance**: We have contracts with many insurance companies, and we will bill them as a service to you. As the responsible party, you are responsible for any costs your insurance company refuses to pay for any reason. The Responsible Party must:
○ Provide the current address and phone number of the Responsible Party;
○ Provide a valid referral from a primary care doctor prior to the office visit if required;
○ Verify and present the correct insurance and patient demographic information;
○ Pay any required copay at the time of the visit
○ Pay any additional amount owing within 30 days of receiving a statement from our office (when an electronic remittance advice is received, any amount you need to pay will be billed to the Responsible Party).

● **Returned Check Policy**: If a payment is made by check, and the check is returned for any reason the Responsible Party will be responsible for the original check amount and an additional $50.00 returned check service charge. A letter will be sent by Infinity Retina LLC to the Responsible Party with notification of the returned check. If a response is not received by Infinity Retina LLC within 30 days from the letter date, the account may be turned over to our collection agency and a collection fee will be added to the outstanding balance.

● **Non-Payment on Account**: Should collection proceedings or other legal action become necessary to collect an overdue account, the Responsible Party understands that Infinity Retina LLC has the right to disclose to an outside collection agency all relevant personal and account information necessary to collect payment for services rendered.
